

Cayuga County Chamber Committees – 2021

Finance & Executive Committee- Third Tuesday at 9am

Description - These two committees review the financials and dashboard of the chamber monthly. They work through details of the budget as well as function as a vetting agent for significant issues that need to come before the board.

The finance committee can have any member of the board that is willing to sit on it involved and the executive committee is filled by the officers of the board.

The executive committee sets the board agenda, deals with time sensitive issues that may require action outside of regular board meetings, and provide direction for the executive director in the areas of governance, human resources, and organizational management.
