## **Celebrating 15 years of Blazing Paths in Cayuga County**

IGNITE is 15 years old this year! That means we are going to through one hell of a party, 15 years of young professionals making an impact in Cayuga County and the region. As Chair, I am excited to share some exciting things coming your way. Remember, IGNITE is led by young professionals, but is for everyone, young in age and young at heart! Everyone can take part!

See you soon,

~ Kierstyn Zaykoski,

### **IGNITE THE VOTE: Powering Inclusion! - October 2019**

Voting is important and IGNITE wants to inspire everyone to get out and Vote! Annually Ignite hosts a very well covered candidates forum to gain and share our perspective on new and fresh feedback from candidates who are asked specifically, "what they are going to do to make our lives better". This year we are

going to change it up and use our network to be an Ally for those often overlooked and consistently unseen. Our forum this year will introduce a panel of voices who should proudly be able to ask questions of our new and potentially returning leaders. So stay tuned for IGNITE THE VOTE: Powering Inclusion! An exciting new way of highlighting this year's local elections. \*\*\*\*We are a non-partisan organization.
