Reflections on Leadership Cayuga

Leadership Cayuga has been a great experience. I've gained a wealth of knowledge about this great community that I live and work in, along with many useful leadership skills that I can take with me into my future endeavors.

-Julia Furlong, Beardsley Architects + Engineers

Leadership Cayuga has made me become a proud leader for the community. As a result I am more in tune with Cayuga County now than before.

- Mitch Maniccia, Seward House Museum

The world needs all types of leaders; soft spoken and outspoken; bold and modest; steady and flexible; practical and visionary. I met all types of leaders through Leadership Cayuga and learned something from each and every one. I thoroughly enjoyed

Leadership Cayuga and must say it was far more enriching than I ever would have imagined. I am grateful for the experience.

-Marie Montgomery, Cayuga Seneca Community Action Agency

The next class kicks off in September and meets for one full day each month. Graduation is held in late May. Tuition is \$1,300.

NOTE: Chamber members receive a \$100 discount. Applications received before August 10th will also receive a \$100 discount.

Why Leadership Cayuga?

One measure of a community's greatness is the voluntary contribution made by its leaders.

Leadership Cayuga stimulates public-minded thinking and increases the base of informed, capable leaders who are committed to using their talents to add to the vitality of our community.

Since 1989, Leadership Cayuga has prided itself on graduating dedicated community leaders. Without a doubt, our 700+ alumni are among the most informed citizens in Cayuga County.

Leadership Cayuga

Sessions & Tours

Session topics: economic development, health, education, local government, personal leadership skills, justice system, board governance, social media, presented by community leaders. The class visits significant business, tourism and historic sites.

Leadership Cayuga

Community Projects

Each class takes on challenging ideas forwarded by community leaders. These projects must have the potential to have a positive impact on our quality of life; near the end the program they are presented in a public forum.
